v. If either the Starter or Starting Marshals are of the opinion that the start was not a fair one, they shall recall the competitors firing a gun. If the unfair start is not due to any competitor, no warning shall be given.

vi. Any competitor making a false start must be warned. If a competitor is responsible for 2 false starts, that competitor shall be disqualified.

vii. Competitors who arrive after the event has commenced will not be permitted to compete.

It is the responsibility of the Chief Judge to:

i. Decide any technical points which arise during the race, and for which provision has not been made in the rules.

ii. Check the final result.

iii. Deal with any disputes/protests.

iv. Verify records.

v. Warn or exclude any competitor guilty of improper conduct. This includes deliberate impedance or interference, or leaving the course (including cutting corners).

4. GENERAL RULES

i. Competitors and officials only are permitted on the course. Competitors must leave the course (including recording area) immediately after the completion of their race.

ii. School team managers must confirm athlete entries and notify carnival convenors of any errors prior to the carnival. Any athlete substitutions must be submitted to the carnival convenor no later than 5 pm the day before the carnival.

iii. All wild card entries must be submitted in writing to the President of Liverpool Zone PSSA to be considered.

ii. Protests must be lodged with the Chief Judge no more than fifteen minutes after the conclusion of a race (when the last runner crosses the line).

iii. The Starters decision is final, not even the Chief Judge can overturn it. A protest lodged against the start of a race will be deemed frivolous.

iv. Photographic and/or video evidence from outside the arena will never be used by the Chief Judge to make a decision on a protest.

viii. When a protest is lodged, the name of the protesting school and the reason for the protest is to be declared.

ix. Two types of reasons only shall be announced - either on a technicality or on the judges' decision.

6. WILDCARDS (TO COMPETE AT ZONE)

i. All wild card entries must be submitted in writing to the President of Liverpool Zone PSSA to be considered. Wildcards will be granted for scheduling clashes e.g. a SSW event is postponed due to inclement weather and the rescheduled date clashes with a school's carnival. In the event of illness preventing an athlete from competing at their school carnival, it will be up to the President's discretion whether or not to award a wildcard to that student.

ii. Having been granted a wildcard/s, schools needs to make it clear which students were issued wildcards on their competitor's sheet. For fairness purposes, only the first seven students from that school will accrue points.

7. WILDCARDS (TO COMPETE AT SSW)

i. SSW will grant a wildcard entry into the regional championships if a student missed the zone carnival because they were representing SSW at a higher level (State/National Championships) or a DoE event that is deemed higher than Association level e.g. Schools Spectacular etc. Athletes will not be granted wildcards if the clash event in question is organised by an external provider e.g. Paul Kelly Cup.

8. MEDICAL

i. A Medical Officer, with appropriate first aid or medical qualifications, should be appointed at each cross country carnival.

ii. No competitor is to receive assistance or refreshments during the race.

iii. Asthma medication is permitted to be taken during the course of the competitor's event.

iv. On advice from the Medical Officer to the appropriate judge, an athlete may be removed from an event if they appear to be suffering from heat stress, an asthma attack or any other medical condition which poses a serious risk of injury.
