New Records

Hannah Stigg - Wattle Grove - 10yrs freestyle

Newbridge Heights - Senior Girls Relay

2014 Zone Carnival & SSW Carnival Report

The Zone Carnival was held at Bradbury Pool. Schools arrived on time and we were able to get the carnival started pretty close to the scheduled time. So traffic was not an issue. The carnival finished by 2.30pm.

Everything ran pretty smoothly - the main issue raised was the lack of shade in the grandstand area. As a result it has been suggested to try Macquarie Fields or The Whitlam Centre for next year. Macquarie Fields has been upgraded. The under cover area would provide shade for students. Would have to check both pools on the depth of the shallow end for diving.

See the attached sheet for Champions.

67 students competed at the SSW Carnival on Tuesday 18th March. Yes it was still very hot with no shade - but they hold it there every year. There was no room for our students to sit in the stands so nearly all students sat with their parents or friends. This is a supervision nightmare and thankfully nothing went wrong and no-one disappeared.

The students that will be going on to compete at the State Carnival are:

Emily Eker, Taya Truman, Jamie Valois, Snr Boys Relay Team & Snr Girls Relay Team - Newbridge Heights.

Bailey Pirie, - Holsworthy.

Hannah Stig, Mia Greaves, Luke Stig - Wattle Grove.

Luka Strbac - Marsden Rd.

Bailey Pirie from Holsworthy PS was announced Junior Boy Champion.
